committee, which Senator Hanna
will appoint soon, will come to Canton
at the time of the visit of the notification
committee.

ABNER BELONGS

To Somerset and Not to Canton
—Why Mrs. McKinley
Likes Canton.

East Liverpool Crisis: A Philadel-
phia correspondent writes: "George B.
Freese, postmaster of Canton, joined
Abner McKinley, the president's brother
here yesterday. Although Brother Abner
lives in New York, he registers from
Canton, his legal residence." A crisis
staff correspondent visited "Brother
Abner at the comfortable old homestead
in Somerset, Pa., last summer, where
he had made his summer home, at least,
for many years. Indeed the people of
the old Somerset county seat seemed to
entertain no doubt of holding a life-lease
upon Mr. Abner McKinley as a citizen
of Somerset county. All of which would
seem to indicate that "Brother Abner"
was decidedly cosmopolitan in his citi-
zenship.

The same correspondent writes
further: "There is some surprise ex-
pressed that the president will spend
the hot month of July in an inland
town like Canton, when he might go to
the seashore or the mountains. It is
explained that he prefers Canton, be-
cause Mrs. McKinley likes her old home
and neighbors and does not suffer from
the heat. Indeed Mrs. McKinley often
feels chilled when others are complain-
ing of hot weather.

ANNIVERSARY

Of Silver Wedding Celebrated
By Friends of Mr. and Mrs.
Louis Hart.

The silver wedding anniversary of Mr.
and Mrs. Louis Hart of 608 Elizabeth
street, was very happily celebrated
Thursday night at their home. While
Mr. Hart was in attendance at the
services in Trinity Lutheran church
during the evening, a large number of
friends and lodge brethren assembled
at a point in North Cleveland avenue
and then marched to the Hart home.
Mrs. Hart received them with expres-
sions of surprise, and her perplexity
was still greater when they informed
her that the night was to be made
merry in celebration of their wedding
anniversary. Mr. Hart arrived home
later in the evening and he was met
by some friends who picked him
up and carried him into the room where
the visitors had congregated and sat
him down in their midst. After receiv-
ing the congratulations of their kindly
guests, Mr. and Mrs. Hart invited them
to partake of a nice collation and then
music, dancing and other amusements
were engaged in during the evening.
With a brief address Mr. Kennedy
Johnson presented Mr. and Mrs. Hart
with an expensive set of silver table
cutlery, on behalf of the lodge people
of Norden lodge, No. 12, R. H. K., who
were present. Those who enjoyed the
pleasures of the evening were Messrs.
and Mesdames N. C. Aule, H. Seisquit,
Alfred Anderson, John Benson, Jacob
Pederson, Charles Johnson and John
Crow; Messrs. Otto, M. P. C. M., and
John Johnson, Aaron Benson, Louis
Larson, C. A. Hasselquist, Mrs. N. P.
Johnson, Miss Lotta Johnson, John and
Annie Hart, and the two smaller Hart
children, and the children of Mr. and
Mrs. Crow.

PETER WOOLF DEAD.

A Prominent Canton Man Pass-
es Away at the Home Of
His Daughter.

At an early hour Friday morning it
was announced that Peter Woolf, one
of Canton's oldest and most respected
citizens, had passed from earth. For a
year past Mr. Woolf had been failing
in health, although he was able to be
about. Monday morning he was stricken
with paralysis and gradually sank
until his death, which occurred at 11:30
o'clock Thursday night, surrounded by
his children, at the residence of his
daughter, Mrs. B. F. Faust, No. 307
Navarre street. Peter Woolf was well
and favorably known in Canton, having
lived here during the greater portion
of his life. He was born at North
Georgetown February 1st, 1830. About
48 years ago he married Catherine Ruhl.
Two sons and two daughters survive
him. Franklin Woolf, the well known
constable of Canton, Mrs. William
Smith, of Augusta, Kansas, Mrs. B. F.
Faust, of Canton, and Webster Woolf,
a well known employee of the Aultman
company. His wife preceded him to
the grave about 12 years ago. Two
brothers and three sisters survive him.
Seven grand children and three great
grand children, also mourn the loss of
a kind and loving parent. Mr. Woolf
served on the Canton police force two
years. One year under Mayor James
Valilee and one year under the next
incumbent in office. He was a member of
Nimble lodge No. 33, I. O. O. F., who
will take charge of the remains. Mr.
Woolf was a quiet and inoffensive man,
who attended to his own affairs. He
was much interested in the welfare of
Canton. While his business as a mason
required his leaving Canton on many
occasions to take part in the work of
construction of building both govern-
ment and individual work, he always
looked forward to the time when he
could again turn his face homeward.

Besides the family relatives, he was
related to John Shepard, of Massillon,
and Lewis Ruhl, of Salem. The funeral
will take place Sunday from the Faust
residence. Funeral arrangements will
be announced later.

DID NOT CONSPIRE.

Stark County Young Men Passed
The Examination on Their
Merits.

The supreme court at Columbus has
been very much agitated the past week
over the question of discovering who
was implicated in the alleged conspiracy
on the part of law students to circulate
the examination questions for the re-
cent examination of applicants for ad-
mission to the bar. The matter has
been sifted pretty thoroughly and the
authorities think they have about solved
the problem. It is thought that only a
few fellows were concerned in the case.
Stark county had six young men to
take the examination and all passed.
None of them were in the deal at all.
Deputy Probate Judge Edwin I. Baer
says that he is satisfied the conspiracy,
if there was one, did not extend very far
nor take in many of the boys who took
the test and none of the local delegation
was in it.

To Vacate a Road.

The county commissioners on Friday
took up the petition of Eli Grant and
others in which they ask for the vacat-
ing of the Rockhill road at Alliance at
the place where it crosses the Fort
Wayne railroad tracks and for the
granting of a new road to go under the
tracks at a point 500 feet west of the
Rockhill road. The commissioners ap-
pointed J. L. Russell and J. I. Rickard,
of Alliance, and Andrew Reese, of Free-
burg, as viewers to assess the damages
to property and report on July 2.

PIKE TOWNSHIP.

The personal tax return in Pike town-
ship shows quite a number of property
owners who have more than \$300 in
personal goods. The average in the ru-
ral districts is higher than in the cities.
Most any farmer who has a few cows
and some other stock will get his tax for
taxation over the \$300 mark, while a
city citizen has to have a pretty good
showing of household goods and cash
to get up to that amount. Another
thing that probably has something to
do with the larger returns in the rural
places is the fact that the taxes in the
country are so much lower than in the
cities. A man who has \$300 worth of
property in some of the townships will
not have to pay any more tax than one
who has \$100 in Canton. This probably
makes the farmer more free to put a
liberal value on his property. The fol-
lowing is the return for Pike township
of those over \$300.

TO NEGOTIATE A SETTLEMENT.

Li Hung Chang Called to Pe-
king to Act as Intermediary.

FOREIGN MINISTERS SAFE.

Powers to Be Asked to Stop Sending
Troops to China So As To Facilitate
Peace Negotiations With
the Boxers.

London, June 23.—The silence of Pek-
ing continues unbroken. Four thousand
men of the allied forces were having
sharp defensive fighting at Tien Tsin
Tuesday and Wednesday, with a pros-
pect of being reinforced Thursday.
This is the situation in China as set
forth in the British government dis-
patch.

"Eight hundred Americans are taking
part in the fighting at Tien Tsin," says
the Shanghai correspondent of the Daily
Express, cabling last evening; "and
they apparently form a part of the sup-
plementary force arriving with Ger-
mans and British after the conflict
started. It is impossible to estimate
the number of Chinese there, but they
had a surprising number of guns."

This information appears to have been
brought by the United States gunboat
Nashville to Che Foo and telegraphed
thence to Shanghai. The Chinese are
deserting Shanghai in large numbers
and going into the interior.

Reports from native sources continue
to reach Shanghai of anarchy in Peking.
According to these tales the streets are
filled day and night with Boxers, who
are wholly beyond the control of the
Chinese troops and who are working
themselves up to a frenzy and clamoring
for the death of all foreigners.

The English consulate at Shanghai
is said to have received from influen-
tial native reports of a tragedy in the
Palace of Peking, though precisely what
it is is not definite. The consulate
thinks that Admiral Seymour, com-
mander of the international relief col-
umn, was misled by information from
Peking and, consequently, underesti-
mated the difficulties in his way and
the Chinese power of resistance with
Maxim guns and Mausers. The consuls
at Shanghai still believe the foreign
ministers at Peking safe, although Jap-
anese reports received at Shanghai al-
lege that up to June 15 one hundred
foreigners had been killed at Peking.

A special dispatch from Vienna says:
"Li Hung Chang has wired the various
Chinese legations in Europe directing
them to inform the government to which
they are accredited that he is called to
Peking by the emperor to act as inter-
mediary between China and the powers
and to negotiate a settlement of the
points at issue, and he instructs them to
beg the powers to facilitate his mission
by ceasing to send troops to China."

Sheng, director general of telegraph,
wires from Shanghai to the Chinese leg-
ations in Europe that the foreign leg-
ations in Peking are safe.

It is reported that the British govern-
ment will immediately send 1,200 ma-
rines to China, and, possibly, according
to some of the morning papers, 1,000 of
the regulars now with Lord Roberts.

BIG FIRE IN PITTSBURG.

Blaze Spreads With Great Rap-
idity—Loss Will Amount
to \$250,000.

Pittsburg, June 23.—Fire in a down
town business block yesterday caused
a loss of \$250,000, involving eight busi-
ness buildings containing many tenants.
The insurance will cover this amount.

The fire was discovered in the Elch-
baum Co.'s printing establishment, sup-
posedly caused by spontaneous com-
bustion. The Elchbaum building fronts
on Fifth avenue a few doors below
Wood street, was six stories high and
was tenanted by many office holders,
among them being Duff's college, occu-
pying the two upper floors, and the
Holmes Electric Co., on the third floor.
In an incredibly short time the entire
building was a mass of flames and be-
fore the firemen could do much effec-
tive work had communicated to the Ex-
change National bank building next
door below, and from there to the Hus-
sey building, adjoining. Simultaneous-
ly the fire extended to James Platt's sal-
oon and restaurant and A. M. Mur-
dock's flower store on the upper side.

The conflagration was one of the most
threatening seen in Pittsburg for many
years and for a time the entire block
bounded by Fifth avenue and Wood
and Diamond and Market streets seem-
ed doomed to destruction. Immense
fire brands were carried by the wind to
buildings in all directions and numer-
ous incipient blazes resulted, fortu-
nately, however, the roofs of all the
buildings in the district were soon man-
aged by private fire brigades, who pre-
vented the fire from spreading beyond
the buildings named. The roof of the
First National bank, 350 feet away from
the Elchbaum building and on either
side of the street, caught fire but was
soon extinguished without material
damage. The new Western Union tele-
graph office building, immediately op-
posite Elchbaum's, was saved by the ex-
tra precautionary measures adopted by
the company officials.

A Speedy Trial.

Washington, June 23.—It is un-
derstood here that the United States at-
torney at New York will take action with-
in the next day or two looking to the
prompt removal of Neely, the alleged
embassador of Cuban postal funds, to
Havana for trial.

HEART DISEASE

Caused the Death of a Citizen
Soon After a Hearty
Supper.

The family of Henry Keller, residing
at No. 1301 Harrisburg street, is bowed
in sorrow. Thursday evening the hus-
band and father returned from his
labors at the Canton Malleable Iron
Co.'s works, where he had been em-
ployed for the past eight years. As
usual he ate the evening's repast with
his family and seemed in the best of
health and spirits. About 7:30 he was
stricken with heart trouble. Medical
aid was quickly summoned but before
the arrival of the doctor he had passed
from earth. Keller was 75 years of age
and had lived in Canton many years.
Before employed at his present posi-
tion he had been connected with the
Peerless Reaper Co. for 17 years and
was loved and held in high esteem by
many Cantonians who will be surprised
to hear of his sudden death. David
Lutz, Uniontown, Levi Lutz, Louisville,
Mandila Harter, Osnaburg, and Emma
Miller, children of his first wife, survive
him besides his present wife, Mrs. Mar-
garet Bright and Mrs. Martha Haupt-
flier, daughters, mourn the loss of a lov-
ing father. He was a member of the
First United Evangelical church and
was always interested in church affairs.
The funeral service will be held from
the church Sunday morning at 10:30
o'clock, Rev. Evans, pastor, officiating.
The interment will take place at West-
lawn cemetery.
